DEPARTMENT OF CIVIL ENGINEERING

HOLY GRACE POLYTECHNIC COLLEGE

JUNE 2025 - OCTOBER 2025

WELCOME FRESHERS

A warm and cheerful welcome to all the new members of the Civil Engineering family at Holy Grace Polytechnic College! May your journey be filled with learning, creativity, friendship, and countless opportunities. Step into this new chapter with confidence, curiosity, and a spirit to build your dreams

READERS DAY 19/06/25

The Department of Civil Engineering celebrated Readers Day on 19th June 2025 to promote the joy of reading among students. The programme highlighted the importance of reading in enhancing knowledge, creativity, communication skills, and lifelong learning. Students actively participated in various reading-related activities, making the celebration meaningful and engaging.

GRADUATION DAY 05/07/2025

Graduation Day was celebrated with great pride and enthusiasm, marking a significant milestone in the academic journey of our graduating students. The ceremony brought together students, faculty, and dignitaries to honour the achievements of the graduating batch. It was a memorable occasion filled with pride, joy, and best wishes for the students as they stepped forward into their professional journeys

CAREER GUIDANCE CLASS
04/07/2025

A career guidance class was conducted in association with **LENSFED** to help students explore career opportunities and make informed decisions about their future. The session provided valuable insights into higher education, career pathways, and professional development, motivating students to plan their careers with greater confidence.

PARENTS MEETING
19/07/2025

Department of Civil Engineering conducted Parent's Meeting for S5 and S3 students, where their previous semester marks were discussed. Also Parent's were given an awareness class about their student's New Semester. Ms. Prabitha K B, HOD welcomed the parent's along with class tutors and other lectures .

RESOURCE PERSON
Prof. Nirmal Abraham
Professor in
INTERNATIONAL BUSINESS

*Engaged students
learn better, think deeper
and create a better future.*

OBJECTIVES

- To understand the importance of student engagement in effective teaching and learning.
- To identify factors influencing students' motivation, participation and attention.
- To explore innovative and interactive teaching-learning strategies.
- To develop techniques for creating an active and participatory classroom environment.
- To effectively use digital tools and multimedia resources for engaging students.
- To enhance faculty skills in communication, questioning, feedback and classroom interaction.
- To promote learner-centred and experiential approaches to teaching.

EXPECTED OUTCOMES

- Apply effective strategies to improve student attention and classroom participation.
- Design engaging and learner-centred classroom activities.
- Use interactive teaching methods to promote active learning.
- Integrate appropriate digital tools into classroom teaching.
- Manage classroom dynamics and overcome common barriers to student engagement.
- Motivate students through effective communication and feedback techniques.
- Create an inclusive, positive and engaging learning environment.
- Enhance students' critical thinking, creativity and overall learning experience.
- Reflect on teaching practices and continuously improve classroom engagement techniques.

KEY THEMES

- Student Motivation
- Active Learning
- Interactive Teaching
- Classroom Engagement
- Digital Learning
- Effective Communication
- Learner-Centred Teaching
- Classroom Management

WHO CAN ATTEND?
Faculty members, teachers, trainers and educators interested in enhancing classroom engagement and teaching effectiveness.

Let's engage minds. Let's inspire futures.

Department of Civil Engineering conducted a 2 days faculty training program on 6th and 7th of October 2025 on " Gaining Mastery Over The Art of Keeping Students Engaged".
