

HOLY GRACE POLYTECHNIC COLLEGE

Department of Civil Engineering

NOVEMBER 2023 – MAY 2024

VISION

To become a preferred destination for civil engineering education, producing technically competent and ethically strong professionals who contribute positively to societal development.

MISSION

M1: To provide comprehensive and high-quality education in civil engineering, fostering innovation and industry-relevant skills among students.

M2: To impart technical knowledge, life skills and ethical values to enable development of sustainable engineering solutions.

M3: To educate and inspire the next generation of civil engineering technicians by fostering entrepreneurial skills and a strong sense of social responsibility

Student Spotlight

Congrats to Manikandas P P for placing first in the class with an SGPA of 7.98 in the batch 2022-2025

Congrats to Suhaila A A for placing first in the class with an SGPA of 7.66 in the batch 2021-2024

And congratulations to all those who got promoted to higher classes.

All the very best dear students

FIESTA 2K23

Fiesta 2023, the much-awaited annual celebration of the Holy Grace Group of Institutions, was conducted from 7th to 10th December 2023 at the Holy Grace campus.

The event featured a spectacular blend of music, dance, entertainment and cultural performances, with several renowned celebrities and artists adding to the excitement. Students enjoyed an array of programmes that showcased creativity, talent and enthusiasm.

Congrats to Sourav A S for placing first in the class with an SGPA of 8.14 in the batch 2020-2023

Message from the Principal

I'm proud of your class efforts in tackling difficult subjects and supporting one another. This year, let's stay focused, meet our goals, and show respect in all settings—class, activities, and beyond. Keep pushing; you can do it!

HOLY GRACE POLYTECHNIC COLLEGE

Department of Civil Engineering

NOVEMBER 2023 – MAY 2024

National Level Paper Presentation

The Department of Civil Engineering participated in CENM 2024, a national-level online paper presentation contest organized by Government Polytechnic College, Chelakkara, on the theme "Civil Engineering in the New Millennium" on 9th & 10th February. The event provided students with an opportunity to explore emerging trends in Civil Engineering, develop technical writing skills, and present their innovative ideas through technical papers in IEEE format.

CAD MODELLING COMPETITION

Department of Civil Engineering conducted an inter institute CAD Modelling competition for students of Holy Grace Polytechnic College and other Colleges on 15th December 2023.

Winners were rewarded Cash prizes and certificates.

TECHNICAL COMPETITIONS

As part of the Tech Fest, the Department of Civil Engineering conducted Still Model and Working Model competitions on 6th and 7th of December 2023. Students from various colleges participated enthusiastically and showcased their creativity, technical skills, and innovative ideas through impressive models. The event provided a platform for students to apply engineering concepts and foster a healthy competition.

"The Eiffel Tower expands slightly in hot weather because steel expands when heated"
