VISION OF THE INSTITUTION

To be a premier Institution, that empowers students to excel academically, professionally and socially.

MISSION OF THE INSTITUTION

- 1.To provide relevant and contemporary knowledge by facilitating academia-industry interaction and enhancing engineering skills.
- 2.To engage students in fostering value-based holistic development and environmental responsibility.
- 3.To integrate activities that inculcate social responsibility and entrepreneurial skills.

VISION OF THE DEPARTMENT

To nurture and develop a new generation of Electrical and Electronics Engineering professionals committed to innovation, society and contributing towards a better and sustainable world.

MISSION OF THE DEPARTMENT

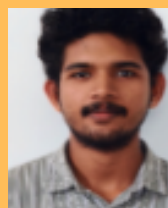

M1: To establish state-of-the-art laboratories and well-equipped learning environment that foster experiential learning, innovation, and academic excellence.

M2: Implement value-based teaching and learning methods with emphasis on sustaining the environment.

M3: To instil in student's entrepreneurial skills and a strong commitment to quality education for long-term societal well-being.

GRADUATION DAY

The MBA Seminar Hall of Holy Grace Group of Institutions witnessed a momentous occasion on July 5, 2025, as the institution proudly celebrated its Graduation Day. The event marked a significant milestone in the academic journey of the graduating students, symbolizing the culmination of years of dedication, perseverance, and intellectual growth.

The ceremony commenced with a solemn invocation, followed by the dignified academic procession. The Principal and faculty members graced the occasion, extending their heartfelt congratulations to the graduates. Inspiring speeches highlighted the importance of resilience, innovation, and ethical leadership in shaping the future.

The distribution of certificates was the highlight of the day, as each graduate walked across the stage with pride, embodying the values and excellence nurtured by the institution. The atmosphere was filled with joy and nostalgia, as students reflected on their cherished memories and expressed gratitude to their mentors.

ORIENTATION PROGRAM

The Orientation Program held on July 21, 2025, at Holy Grace Group of Institutions was a remarkable event that welcomed new students into the academic community with inspiration and guidance. The program was graced by distinguished personalities whose presence elevated the occasion. The keynote address was delivered by Mr. Sanju P. Cherian, Certified Trainer, acclaimed Author, and recipient of the prestigious Global Teacher Award 2020. His words resonated deeply with the audience, emphasizing the importance of discipline, curiosity, and lifelong learning. Drawing from his rich experience, he encouraged students to embrace challenges as opportunities and to cultivate resilience in their academic and personal journeys. Adding to the grandeur of the event, the Chief Guest, Mr. Sheen Antony, Managing Director of Pilosmith (India) Pvt. Ltd., shared valuable insights into the world of industry and entrepreneurship. His address highlighted the significance of innovation, adaptability, and ethical leadership in today's competitive environment. His presence served as a motivating force, bridging the gap between academia and industry.

INTERCLASS FOOTBALL MATCH

The Interclass Football Match held on August 8, 2025, at Holy Grace Polytechnic College, Mala, was a thrilling showcase of athleticism, teamwork, and sportsmanship. Organized under the guidance of the Physical Education Department, the event brought together students from all departments in a spirited competition that celebrated unity through sport.

TECHNICAL TALK ON RENEWABLE ENERGY ENTREPRENEURSHIP

The Department of Electrical and Electronics Engineering at Holy Grace Polytechnic College, Mala proudly hosted a technical talk on Renewable Energy Entrepreneurship by Mr. Antony K. L., Accredited ANERT Solar Power Plant Inspector. The session, held on October 8, 2025, was an enlightening exploration of the opportunities and challenges in the renewable energy sector, with a special focus on solar PV systems. Mr. Antony began by emphasizing the urgent need for sustainable energy solutions in today's world. He highlighted how renewable energy, particularly solar power, is not only a technological advancement but also a powerful entrepreneurial avenue for young engineers.

INDEPENDENCE DAY CELEBRATION

The spirit of patriotism soared high at Holy Grace Group of Institutions as the campus celebrated Independence Day with grandeur and reverence. The event was a vibrant tribute to the nation, reminding everyone of the sacrifices made by countless heroes who fought for India's freedom.

The program commenced with the ceremonial hoisting of the national flag, followed by the singing of the national anthem, which filled the atmosphere with pride and unity. Students presented cultural performances including patriotic songs, dances, and skits that reflected the rich heritage and values of our nation.

SESSION ON EV TECHNOLOGIES

The Electrical and Electronics Engineering Department of Holy Grace Group of Institutions organized an insightful session on EV Technologies on September 20, 2025. The program was graced by Mr. Jithesh Krishna, Service Manager at Luminous, whose expertise and engaging delivery made the event a memorable learning experience for students and faculty alike.

ONAM CELEBRATION 2025

The vibrant spirit of Kerala's cultural heritage came alive at Holy Grace Group of Institutions during the grand Onam Celebration held on August 25 and 26, 2025. The two-day festivities reflected the essence of unity, tradition, and joy, bringing together students, faculty, and staff in a colorful celebration of the harvest festival.

TECH EXPO 2025

The Department of Electrical and Electronics Engineering at Holy Grace Polytechnic College, Mala, proudly organized the Tech Expo 2025 on December 3, 2025, under the coordination of Ms. Sreelakshmi K V, Lecturer, EEE Department. The event was a dynamic platform for students to showcase their innovative projects and practical applications of engineering concepts.

The expo opened with a warm welcome, followed by the inauguration ceremony, setting an inspiring tone for the day. Students from various semesters presented their projects in the Advanced Electrical Practice Lab, transforming the space into a hub of creativity and technical brilliance. From renewable energy models to automation systems, the exhibits reflected both academic rigor and imaginative problem-solving.

KNOWLEDGE KNOCKOUT – QUIZ COMPETITION

On December 3, 2025, Holy Grace Group of Institutions hosted the much-anticipated Knowledge Knockout Quiz Competition, an event designed to ignite curiosity and sharpen the intellect of students. The program was coordinated by Ms. Sreelakshmi K V, whose dedicated efforts ensured the smooth execution of this engaging academic initiative.

The competition brought together enthusiastic participants from various departments, eager to showcase their knowledge and quick thinking. The rounds were thoughtfully structured, covering diverse fields such as general knowledge, science, technology, literature, and current affairs. Each stage challenged the participants to think critically, respond swiftly, and collaborate effectively.
