About Us

Holy grace polytechnic college mala was established with the aim of providing quality higher education on par with international standards and accredited with AICTE. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. The campus has a cosmopolitan atmosphere with students from all corners of the globe. Experienced and learned teachers are strongly encouraged to nurture the students. The global standards set at holy grace in the field of teaching spur us on in our relentless pursuit of excellence. In fact, it has become a way of life for us. The highly motivated youngsters on the campus are a constant source of pride. Many of our students, who pursue their higher studies in foreign universities, bring high quality to their work and esteem to India and have done us proud. With steady steps, we continue our march forward. We look forward to meeting you here at Holy grace.

Our Recruiters

Alummini Message

I would like to thank Holy Grace Polytechnic college for being so supportive and helping me throughout to develop my personality thereby making me what I am today. The faculty and college management have been very helpful and friendly. I wish this institution goes on doing great stuff and help students achieve their dreams.

“Adithyan V S”

As far as, I know Holy Grace Polytechnic college is the college which imparts education as per the need of present competitive environment. Holy Grace Polytechnic college is an institution where the emphasis is given on overall development of the student with much priority to industrial visits, and personality development classes so that students can lead the world.
